

**WHAT TO EXPECT**

- **WE REQUIRE VISITORS HAVE A NEGATIVE COVID-19 TEST PRIOR TO COMING TO OUR FACILITY.** For rapid tests, results must be within one day of visiting. For PCR tests, results must be within two days of visiting. We can provide a rapid test if you are unable to test before visiting.
- All residents are eligible to receive visitors, should they choose, at all times.
- If a resident is on transmission based precautions (TBP), they may choose to have visitors but **BOTH RESIDENT AND VISITORS WILL BE ASKED TO ADHERE TO ALL CORE INFECTION CONTROL MEASURES, INCLUDING PHYSICAL DISTANCING AND WEARING A MASK.**
- **ALL VISITORS ARE REQUIRED TO BE SCREENED.** Upon arrival you will be screened for all symptoms related to COVID-19, including questions related to exposure and vaccination status.
- All visitors are required to sign in and **PROVIDE CURRENT CONTACT INFORMATION.** If you should become ill within 48 hours of your visit please notify us at (607) 724-4000 Ext 268.
- Regardless of vaccination status and where your visit takes place, **we require A NON-SURGICAL PAPER MASK THAT COVERS YOUR NOSE AND MOUTH BE WORN AT ALL TIMES DURING YOUR VISIT.** Visitors are asked to bring their own mask. Should your mask not meet the requirements we will provide you with one. This includes anyone ages 2 and up. 
- The current community transmission rates will be posted by the visitor screening kiosks but can also be found online at <https://covid.cdc.gov/covid-data-tracker/#county-view>.
- **VISITS MAY TAKE PLACE IN DESIGNATED VISITING AREAS, INCLUDING A RESIDENT'S ROOM,** provided it does not put the resident's roommate at risk. We ask that all visitors also continue to physically distance from other residents and staff.
- **YOU WILL BE ASKED TO USE HAND SANITIZER,** which will be provided prior to your visit.
- Per updated CMS guidance, visitation may continue even during periods of COVID-19 outbreak. Cases will be posted so you can make an informed decision about visitation and take appropriate precautions. As always, we will continue to use the ReGroup Alert System to notify residents and their designated representative about new COVID-19 cases.

**Failing to adhere to core infection control measures which result in putting other residents at risk will prohibit you from visiting.**
