

MEMORANDUM

DATE: MAY 14th, 2020

TO: ALL RESIDENTS, FAMILIES & STAFF

FROM: RON PATTI, EXECUTIVE DIRECTOR, HILLTOP CAMPUS

RE: COVID-19 HILLTOP UPDATE

Hello everyone,

As part of our on-going commitment to keeping you all informed, I would like to take this opportunity to share with you some positive news related to our COVID-19 status in the assisted living area of our campus. We have not had any new confirmed cases of COVID-19 in any of our residents in over 2 ½ weeks and we have had 11 residents make a full recovery, thus far. In our facility we have 4 residents who remain positive for COVID-19 and continue to recover while 5 residents remain hospitalized.

To date all cases have been confined to this area of our campus and we continue to work very hard to avoid further spread following all guidelines set forth by our governing agencies and the unit remains on isolation with a dedicated staff to minimize any unnecessary exposure to other areas of our campus.

All other areas of our campus including our nursing home remain COVID-FREE. We continue to be grateful for the outpour of support from our residents, families and community at large. This past Friday, I was moved by the showing of support for our campus with the parade on our campus provided by first responders, law enforcement, and local fire departments. This was a tremendous and moving event and I am proud of our organization and all of our staff who have given so much of themselves during this difficult time. I hope that everyone enjoyed the parade as much as I did.

Thank you all again for your words of appreciation and understanding during these times. Please remember to continue to practice social distancing, good handwashing, and follow all CDC guidelines to help prevent the spread. As always, do not hesitate to reach out to me at 607-798-7818 ext. 210 should you have any questions.

Stay healthy and well,

Ron Patti

Executive Director
